Office: 913-837-1900

Fax: 913-837-1919

Chris McLean, Principal

Dear Broadmoor Elementary Students and Parents,

I would like to personally welcome you to the 2009 – 2010 school year! I am excited to get the opportunity to work in such a great community and with an outstanding faculty and support staff. The children in the Louisburg school system are known throughout the state as high achieving students. The exceptional staff and eager learners truly make Broadmoor Elementary the place to be!

BES prides itself on providing the highest quality educational experience possible. Our teachers combine a challenging curriculum with hands on projects in an environment centered on student achievement. Not only will our students be challenged academically, but BES students will learn what it takes to be responsible, caring members of society.

I highly encourage all parents to get involved in the school. The best education comes through cooperation and communication from home to school. The teachers and staff of Broadmoor are just a phone call or email away. The school will also provide information to parents through newsletters, web stories, teacher's web calendars, and student agendas. Parents can also take advantage of the Wildcat Text Alerts and the Parent Portal on the USD 416 website.

Team success comes through hard work and dedication to the team's goals. My goal is simple: to provide the best educational experiences in the state to the students of Broadmoor Elementary. With the combination of outstanding teaching and motivated learners that reside at BES, I believe that goal can be obtained!

I look forward to getting to know all of the students personally and helping our faculty provide the best education possible for your children.

Go Wildcats!

Chris McLean  
Principal, Broadmoor Elementary
