

LHS Frontier League Event Attendance Restrictions Notice

To help in limiting crowd size to facilitate social distancing and safety at facility-based events, the Frontier League has developed an attendance plan.

The plan has the following guidelines:

*Four league tickets will be created for volleyball, soccer, football, and cheerleaders rostered to play/perform that night. Tickets are good for Frontier League home and away games. Coaches will receive two tickets. These numbers could be less if dictated by the host school's county health department.

*Schools have the authority to decrease the number of tickets as it relates to their counties guidelines and facility space.

* Four league tickets will be created for dance and band members for home events. These tickets can be used at home events only. These numbers could be less if dictated by the host school's county health department.

*Each gate will have a detailed roster for both teams. Any players not rostered for that nights event will not be allowed to have spectators enter the stadium

*League passes for administration and school board only at the current time.

Therefore, at all LHS home events and at League away events, we will be utilizing the ticket and rostering system.

Each rostered athlete and manager will be given four laminated tickets. These tickets will then be given out to the fans the student chooses. To enter a game a fan must have this ticket to present to the ticket taker and that student must be rostered for that contest. Admission, if applicable for the contest, will be charged at that time. If the contest is a home event and the fan has a valid activities pass, this will count for admission, but the student ticket must still be presented.

Depending on the facility capacity, home or away, the amount of tickets available for that contest may be reduced. The athletic director will work with coaches to communicate the available number of tickets for each contest.

We will be looking at expanding seating at events to grassy areas where safe, allowed, and possible, so we encourage people to bring lawn chairs or blankets.

Designated home and away sections will be identified and utilized.

We understand that this will affect the student and patron opportunities to attend games, but the ability to provide an environment where social distancing can occur can only be achieved through limiting capacity. We will be live streaming as many home events as possible in lieu of this fact.

A pass list will be created for credentialed media and event workers and other essential personnel to enter without tickets or admission, but these individuals will not be allowed guests.
