

Kansas Common Core Standards for English Language Arts (ELA) and Literacy in History/Social Studies, Science, and Technical Subjects Fact Sheet 2012-2013

General Information

- State-led effort coordinated by the National Governors Association Center for Best Practices (NGA Center) and the Council of Chief State School Officers (CCSSO).
- Developed in collaboration with teachers, school administrators, and experts.
- Provide teachers and parents with a common understanding of what students are expected to learn.
- Consistency in standards provides appropriate benchmarks for all students regardless of where they live.
- Standards define the knowledge and skills students should have within their K-12 education careers to graduate from high school able to succeed in entry-level, credit-bearing academic college courses and in workforce training programs.

Kansas Adoption

- The Kansas State Board of Education formally adopted the Kansas Common Core Standards for English Language Arts and Mathematics on October 12, 2010

Format of the Standards

- Inclusion of the four strands of English Language Arts:
 - Reading
 - Writing
 - Listening and speaking
 - Language
- The benefits of an integrated literacy approach – all Kansas educators have a *shared responsibility* for literacy instruction, regardless of discipline or content area.
- A focus on results rather than means – “the *Standards* leave room for teachers, curriculum developers, and states to determine how those goals should be reached and what additional topics should be addressed” (p. 4).
- Efficiencies of scale – common standards allow for greater collaboration among states in the areas of
 - Professional development
 - Resource development
 - Teaching tools

College and Career Ready Students

- Demonstrate independence in “the 4 C’s”
 - Comprehend complex text
 - Critique the craft used to create text
 - Construct rich understandings of content
 - Convey multifaceted meaning
- Build strong content knowledge through research and study
- Respond to varying demands of audience, purpose, task, and discipline in writing and speaking
 - Adjust purpose
 - Appreciate nuance
 - Provide evidence as appropriate to the discipline
- Use technology and digital media strategically and capably to deepen encounters with text and content and to present and share information
- Come to understand other perspective and cultures

Key Advances

- Reading
 - Balance of literature and informational texts
 - Text complexity
- Writing
 - Emphasis on argument and informative/explanatory writing
 - Writing about sources
- Standards for reading and writing in history/social studies, science, and technical subjects
 - Complement rather than replace content standards in those subjects
 - Responsibility of teachers in those subjects
