

Parents/Guardians,

It is hard to imagine, but planning for summer activities will be starting soon. Many summer sports, camps, day care facilities, etc. require participants to provide current shot records.

Vaccination records for your student are available to you through Skyward.

For your convenience, instructions are provided below for you to access and print copies through Skyward.

Thank you.

Amy Williams, School Nurse

Printing Vaccination/Shot Record from Skyward

1. Log into Skyward.

2. Select Health Info

3. Select Display Options, then Show Vaccinations

4. Use Print Icon to print
