Dr. Brian Biermann, Superintendent
USD 416
29020 Mission Belleview Rd., Box 550
Louisburg, Kansas 66053

September 7, 2018

Dear Dr. Biermann and the USD 416 Board of Education:

I am pleased to announce that the Kansas State Board of Education voted Tuesday, August 14, 2018, USD 416 Louisburg, the status of Accredited. This status is effective July 1, 2018 through June 30, 2022, or until/unless changed by action of the State Board of Education.

Regulations require each system (district) be assigned an accreditation status based upon the extent to which it has met the criteria established by the State Board of Education.

Receiving the "Accredited" status indicates that Louisburg, USD 416 is effectively serving the needs of its students by demonstrating a focus on the success of each student.

On behalf of the State Board of Education, I want to thank you and the many excellent educators in the district for working to ensure that each child has a path toward success after graduation.

If there are any questions regarding accreditation status or this letter, please contact our accreditation staff at accreditation@ksde.org or 785-296-4948.

Once again, congratulations on this outstanding accomplishment.

Sincerely,

Dr. Randy Watson
Commissioner
Kansas State Department of Education
